RALEIGH, N. C., FRIDAY, JULY 4, 1890.

PRICE 5 CENTS.

## VANCE IS HERE.

**HIS PRESENCE MAKES A GLORIOUS FOURTH FOR RALEIGH AND ITS VISITORS.**

Senator Vance will make a patriotic address to-day at 10 o'clock—let everybody turn out to hear this great commoner and champion of the people's rights.

When it was decided to have a big and an old-fashioned celebration of the Fourth of July in Raleigh, the committee sent an invitation to SENATOR VANCE to deliver the address. He wrote promising to come "if possible." All Raleigh feared it would not be possible, but yesterday morning Mayor Thompson received the following telegram:

RICHMOND, Va., July 3rd, 1890.  
MAYOR THOMPSON, RALEIGH, N. C.  
Mrs. Vance and I will be in Raleigh this afternoon.

Z. B. VANCE.

Telegrams and circulars were sent out to the surrounding towns and every effort was made to get the news to the people that SENATOR VANCE would speak. It is to be regretted that the certainty of his coming could not have been known earlier—for thousands of the farmers in this and adjoining counties will not know of his coming and will therefore not be present. But we will have a crowd anyway, and with the Senator's help to give us the enthusiasm, we will make this Fourth of July a red letter one in our history.

GOVERNOR VANCE and wife reached here at 3:40 yesterday and have rooms at the Yarbboro. The Senator looks well though he has been doing most laborious work. He delivered a strong speech Monday against the admission of Idaho as a state. When we saw him he was sitting on the little back porch of the Yarbboro, and said that it was the first time he had been able to get cool in two weeks.

### TO-DAY'S PROGRAMME.

At sunrise all the church bells will ring, the factory whistles will blow, and all other bells or whistles that can make a loud or hideous noise will conspire to produce a din sufficient to wake the most sleepy patriot. The CHRONICLE has been requested to protest against this ringing and blowing, but we declined to do it upon the ground that no patriot will be unwilling to be roused from his slumbers one morning in the year.

At sunrise it is expected by the committee that prayer-meetings will be held in all the churches in the city by the pastors. The Governor, Mayor, all public officers, the military, and all patriots are expected to attend these services.

At 10 o'clock this morning there will begin a general parade, starting at the Centennial Graded School.

The exercises of the day will be held at a stand at the South gate of the Capitol square.

The opening prayer will be by Rev. L. L. Nash, D. D.

The Fourth of July oration will be delivered by HON. Z. B. VANCE, U. S. Senator. The Declaration of Independence will be read by A. D. Jones, Esq.

The following are invited to occupy seats on the platform: The State officers, City Officers, Justices of the Supreme Court and Judges of the Superior Court. The afternoon will be devoted to amusements for all. These will be on Fayetteville street, from 1 to 3 o'clock, and will compose Foot Races, Bag Races, Races by Three-Legged Men, Climbing the Greasy Pole, &c. There will also be races and exhibition drills by the colored firemen.

At 4 o'clock the white fire department will give exhibition drills and there will be a test of the waterworks.

At 5:30 o'clock the match game of base-ball, Oxford against Raleigh, at Athletic Park.

The day's pleasures will be ended by a magnificent display of fireworks, at the south gate of the Capitol square, which will begin at 8:30 o'clock sharp.

The grand fair in aid of the Soldiers' Home will be held in Nash square during the entire day and until midnight by the Ladies Memorial Association. At 2 o'clock an old-fashioned Fourth of July dinner will be served there, with the finest barbecue as one of the specialties.

The exercises will take place on the west porch of the Capitol.

Gov. FOWLE will deliver the opening address.

## NASH DEMOCRATIC CONVENTION

**A Good Ticket Nominated—Mr. J. B. Phillips Will Come Back to the House.**

(Special Cor. State Chronicle.)

ROCKY MOUNT, N. C., July 2.—The Democrats of Nash held their convention at Nashville on Monday, and nominated the following ticket:

For the House of Representatives—J. B. PHILLIPS.  
For Clerk of the Court—S. E. EURE.  
For Register of Deeds—J. D. DRAKE.  
For Sheriff—A. H. RICKS.

This is a good ticket, and will be elected. Every member of the last Legislature will be glad to see that Mr. Phillips will come back. He was chairman of the committee on agriculture, and was one of the best and most useful members of the House. H. B. H.

## PERSONAL AND SOCIAL.

The CHRONICLE owes an apology to its friend, Mr. P. G. Alston, one of Franklin's nominees for the House. In the absence of the editor his name was given as P. G. Poston. We know that he will pardon the error.

Col. W. P. Canaday, retiring sergeant-at-arms of the United States Senate, has been presented with an elegant gold watch and seal by the employees of the Senate who served under him.—Greensboro North State.

His many friends will be glad to know that W. D. Turner, who is now in Buffalo, N. Y., for medical treatment, according to information from him, has passed the crisis, is doing well, and hopes to be at home in a few days.—Statesville Landmark.

The Greensboro Patriot says that the census in Guilford is a mere farce. Three Democrats were appointed in three districts and after they had worked several days, they were removed and Republicans appointed. The census of 1890 is a strictly Republican machine.

The Farmers' Alliance of New Hanover county will meet at Capt. E. W. Manning's "Atlantic View," Wrightville sound, on the 4th of July, and will be served with one of the captain's finest dinners. Capt. Syd B. Alexander and other speakers are expected to be present, and will address the alliance and the public at Capt. Manning's pavilion.—Wilmington Messenger.

North Carolina has headed the list of the Southern States in its representation of the World's Fair. Col. A. B. Andrews, a North Carolinian who is proud of his State and his people, has been chosen as one of the Vice-Presidents of the Great Columbian Exposition of 1892. He is highly deserving of the honor and can run a big exposition just like he does a great railroad system.—Twin-City Daily.

Col. A. B. Andrews returned yesterday from Chicago where he has been attending the meeting of the Directors of the World's Fair. He was elected Vice-President of the World's Fair Association, and Col. Thos. B. Keogh, of Greensboro, was elected one of the committee of twelve on Permanent Organization. In these gentlemen North Carolina is well represented in the Directors, and North Carolina and California are the only States to have both its Directors honored with a responsible position. Governor Fowle was happy in his selection of Commissioner. Col. Andrews is not only one of the brainiest and wisest of North Carolinians, but one of the most patriotic and progressive as well. His large influence and wide knowledge will enable him to do more to put the advantages of the State in the best light than any other man whom the Governor could have appointed. Col. Keogh is the best Republican who could have been named. He is well acquainted with the resources of the State—with its people—and the possibilities; and withal he is a broad and liberal Northern citizen who has made himself a thorough Southerner—a man worthy to represent our State in the greatest exposition the world has seen.

### LAWN TENNIS.

The Tournament Continued Yesterday Interesting Games—Some More Playing To-day.

The tennis tournament was continued in Nash square yesterday. The remaining "single" between Johnson and Stronach was played—won by Johnson. The championship games will be played to-day, beginning at 8 o'clock this morning. These games are interesting and will be enjoyed by everybody.

Two match games were played yesterday afternoon. The first, between Henderson and Raleigh, was won by Raleigh. Score: Raleigh 6-2; Raleigh 6-0. Messrs. Strauss and Chavasse represented Henderson, and Messrs. Stronach and Busbee held up Raleigh's colors.

The second game, between Tarboro and Raleigh, was won by Tarboro. Score: Raleigh 6-4; Tarboro 6-4; Tarboro 6-1. The representatives from Tarboro were Messrs. J. J. Phillips and Henry Johnson. Messrs. Busbee and Stronach again played for Raleigh.

A game will be played this morning at 10 o'clock between the representatives of the A. T. O. and the Zeta Psi Fraternities of the University. The representatives of the former are Messrs. Bingham and Little; from the latter Phillips and Graham. This will be a most interesting game.

### BOY DROWNED.

**He Fell Backward in the Water and was Strangled.**

(Hendersonville Times.)

Master Robert Price, a twelve-year old boy, was drowned in Mud creek, near Hendersonville Monday. The boys had an old boat, and were jumping out of it into the water. It is said by some of the boys present that Robert fell backward into the water, and it is supposed was strangled, as he went out of sight. As he came up one of the boys attempted to catch him, but failed, and he sank to the bottom, and did not rise again. An alarm was given and some men who were working near, as also several who were at the depot, went to the rescue. The water was about eight or ten feet deep where he went down, the men having to dive to find the body. It was recovered after having been in the water about forty-five minutes. Efforts at resuscitation were made, but in vain. Life was extinct.

## THIRD DISTRICT JUDICIAL CONVENTION.

(Special Cor. of STATE CHRONICLE.)

ROCKY MOUNT, N. C., July 3.—The Judicial Convention of the Third district met here to-day and was called to order by Fred A. Woodard, Esq., of Union, Chairman Democratic Executive Committee.

Jno. E. Woodard, of Wilson.  
Jacob Battle, of Nash.  
A. L. Bland, of Pitt.  
I. A. Sugg, of Pitt.

Each county seemed determined to stick to its candidate. Greene is instructed for Col. Suggs, and Grayville has no instructions, and divided.

The vote of the counties are as follows:

Franklin, 44; Greene, 20; Nash, 44; Martin, 33; Pitt, 52; Vance, 28; Wilson, 43; total, 264.

### THE THIRD DISTRICT.

### CHATHAM COUNTY CONVENTION.

**Womack Endorsed—The Supreme Court Judges Endorsed—Stroud for Congress Gets Three-fourths of the County.**

(Special to STATE CHRONICLE.)

PITTSBORO, N. C., July 2.—The Democratic convention of Chatham county met here to-day for the election of delegates to the State, Judicial and Congressional conventions. The present incumbents of the Supreme Court were endorsed, and the convention was, of course, enthusiastic for Judge Womack.

Although W. F. Strowd's name had been very recently mentioned in connection with the nomination for Congress and with the delegates from two of the largest townships instructed for Capt. Bunn. The bare mention of Mr. Strowd's name carried with it such enthusiasm that he received nearly three-fourths of the whole vote.

As to who Mr. Strowd is can't be better expressed than in his own words: "I am a farmer, an Alliance man and a Democrat."

## THE NATIONAL CONGRESS.

**MR. LODGE WANTS HIS BILL PRINTED WITH MARGINAL NOTES.**

Mr. Rogers Says The House Has Had Enough of it—The Request not Accorded to—The Senate Discusses the Subsidy Bill.

(By United Press.)

WASHINGTON, D. C., June 3.—The Senate agreed to adjourn from to-day until Monday.

Mr. Plumb offered a resolution which was agreed to, calling upon the Secretary of War for information as to whether articles were being manufactured at the national military homes, in competition with private enterprises, and the reason and authority for it.

Mr. Berry sent to the desk to be read papers concerning the charges that unusual facilities were afforded a firm of Washington attorneys in the land office. They included a letter sent by the attorneys (H. W. Combs & Co.) to the clerk of the Columbia county, Arkansas, offering to supply patents in that county for \$4 each (the clerk to return one dollar); a letter from acting commissioner Stone extending these facilities to the firm and a letter from the assistant secretary.

Bussey, of the Interior Department, certifying to the reputable character of the firm.

Mr. Berry said that one member of this firm, Thomas H. McKee, was an officer of the House of Representatives.

The question was discussed without action.

Senate bill to establish a court to settle private land claims was discussed until 2 p. m., when Mr. Vest resumed his argument against the subsidy bill.

Mr. Vest said he was as anxious as Mr. Blaine to open the ports of South America to American products. He sincerely desired the extension of commerce, and that the American flag might again be seen in every port and on every sea. But the question was one as to the means to bring about that end. The senator from Maine (Mr. Frye) wanted subsidies. He (Mr. Vest) opposed them in toto.

Mr. Vest went on to speak of the late Pan-American conference, and he sent to the clerk's desk and had read a clipping from the New York Herald of a Buenos Ayres correspondent to show what a prominent and intelligent citizen of Buenos Ayres, Senor Pierra who accompanied the Argentine delegates to Washington, thought of the conference, of Mr. Blaine, Mr. Curtis and the U. S. delegates.

As soon as the clerk had finished the reading of this very caustic criticism, Mr. Hawley asked Mr. Vest whether he knew who wrote that; and whether it was quite fair and decorous to have printed such a mass of irresponsible blackguardism.

Mr. Vest replied that the gentleman's name was given in the communication.

Mr. Hawley—I re-affirm what I said—that the man who speaks as he does of honorable gentlemen, and who says of American colleges that degrees can be obtained for \$30.00, says wilfully that which is false.

Mr. Vest—That may be ascribed to the ignorance of American colleges.

Mr. Hawley—And to her ignorance of all the laws that govern gentlemen.

Mr. Vest—He is Secretary of a society in Buenos Ayres, and accompanied the delegation from the Argentine Republic to the pan-American conference.

Mr. Hawley—And you may add to that description that he is a liar and a blackguard.

Mr. Vest—That is a question between him and the Senator from Connecticut.

Mr. Hawley—The Senator from Mississippi, introduced his friend here.

Mr. Vest—The article was published in a New York paper, extracted from a paper in Buenos Ayres and has gone broad cast over the country.

Mr. Hawley, the Senator from Missouri, will not endorse what that blackguard said?

Mr. Vest: I have not endorsed it, but if the Senator will contain himself a moment, I will state my object in quoting it here.

Mr. Vest then explained that his object in having the statement read was to show that the assumption of this administration that winning and dining would affect our commercial relations was a fallacy. Nothing but self-interest would do that.

Mr. Wilson, of Maryland, spoke in opposition to the bill.

The bill went over without action.

The conference report on the agricultural appropriation bill was presented and agreed to.

The Senate, at 4:50, adjourned until Monday next.

**House.**

WASHINGTON, July 3.—In the House, this morning, Mr. Lodge, of Massachusetts, asked for a reprint of the Federal Election bill with marginal notes.

Mr. Rogers, of Arkansas, demanded the regular order.

Mr. Lodge said there was no necessity to get cross about the matter.

Mr. Rogers said the House had had enough of the bill.

Mr. Houk, of Tennessee, responded that the Democrats might get more of it.

Mr. Lodge's request was not acceded to.

Mr. McCommas, of Maryland, presented the conference report on the district of Columbia appropriation bill.

After some debate and pending a vote on the conference report the House at 1:45 p. m. adjourned until Monday.

The citizens of that progressive city will entertain us royally, while the programme is one of unusual interest. The Boston meeting was of an unusually business-like character, and we ought to profit by it by acting upon suggestions there made. The Alamance Gleaner referring to the Congressman from the Fourth district says: "Hon. B. H. Bunn is doing well enough and is improving all the time." Referring to Judge it says: "Judge Womack has proven himself worthy of the trust conferred upon him, and as a matter of justice the Democracy owes him the nomination."

A special dispatch to the Star, from Fayetteville, says the Democratic County Convention for Cumberland was held there Saturday. Dr. W. C. McDuffie presided.
